

STAM Conference Program-Outline **September 20-22, 2007**

The Speech and Theatre Association of Missouri is making every effort to offer high quality professional development that meets the guidelines of "No Child Left Behind," the National Staff Development Council, and the state of Missouri. Many offerings are done in a series format to ensure sustained effectiveness. Single sessions offerings are trainings, introductions to later series, or simply informational sessions that do not require sustained participation.
